This Enclosure is created to provide a time-line reminder for action items located throughout our BYLAWS, ADMINISTRATIVE PROCEDURES and ENCLOSURES. This document is driven by the section referenced in the “Bylaw Reference” column. If there is any question of a conflict between statements in the referenced BYLAW, ADMINISTRATIVE PROCEDURE or ENCLOSURE and this Enclosure, the referenced section is the precedence.

If a question is raised about the “Description” in this Enclosure, and in the opinion of the Judge Advocate the description should and can be improved, then the Judge Advocate is authorized to make that change. Such a change will not be considered a change in the Bylaws. Should the Judge Advocate make a change, a Notice of Change will be sent to the Department Adjutant for distribution to each member of the Board of Trustees and to each Detachment. That distribution may be done via e-mail. The Judge Advocate will also announce the change and reasoning for the change at the next Staff Meeting or Convention.
