Dear Friend of the Marine Corps League,

On May 13th and 14th, 2022, the Marine Corps League Department of Georgia will be hosting the 2022 Annual Department of Georgia Convention. Veteran Marines and their guests from throughout Georgia and from neighboring states will be attending the 2022 Convention. The Marine Corps League is a Congressionally Chartered Veterans Service Organization with a letter of determination from the IRS authorizing contributions to the League and its Detachments to be tax-deductible. Its members consist of, Marines, FMF Navy Corpsmen and FMF Navy Chaplains who have served with the Marines, and friends of the Marine Corps. The League’s major functions are to assist disabled, elderly, and veteran Marines and their families, those currently serving, and the youth of America.

A Convention Program Book will be given to every attendee. We are asking detachments throughout the state of Georgia, businesses, and other commercial establishments to purchase advertisements for the program book or to make donations of products or services to the convention host. If donations of products or services are made, an advertisement of equal value will be placed in the program book. If you wish to give a charitable contribution instead of an ad, please make a note to that effect and we will provide you with a Contribution Acknowledgement.

The costs of color ads are:

- Full Page (8 1/2 “ x 11”) $100.00
- Half-Page $50.00
- Quarter-Page $25.00
- In Memory/Honor Of $10.00

Logos and camera-ready art can be included in the ads. Ad order forms and payments must be received by April 20th, 2022, to be included in the program book. Should you have any questions, please contact me at (404) 547-6651 or by email at backtogilwell@gmail.com

Sincerely,

William Miller

This is in response to the letter, dated October 15, 1998, regarding your status as an organization exempt from Federal income tax.

Our records indicate that a ruling letter was issued in July 1946, granting your organization an exemption from Federal income tax under the provisions of Section 501(c)(4) of the Internal Revenue Code of 1954.

If your gross receipts each year are normally more than $25,000.00, you are required to file Form 990, Return of Organization Exempt from Income Tax by the fifteenth day of the fifth month after the end of your annual accounting period.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under Section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T.

If any question arises with respect to your status for Federal income tax purposes, you may use this letter as evidence of your exemption.

This is an advisory letter.

Sincerely yours,

Glenn E. Henderson
District Director
